

Indian Abacus National Level Competition - 13-07-2019

3rd National Level Indian Abacus and Mental Arithmetic Competition was held on 13th July 2019 at Chennai Convention Centre A/c., (Chennai Trade Centre) Nandambakkam, Chennai. 3000 parents and students filled the largest hall and made the occasion a great success. 2500 students from all parts of the country participated in the competition and won the prizes. The competition was started at 8 am and ended at 2.30 pm.

The children were honoured with a medal and refreshment kitty bag was given to all participating students at the entrance. They also dropped lucky draw coupon attached in their hall ticket. As per the seat numbers, children seated and made themselves ready for the competition. There were 5 batches of competition, each containing 500 students. As soon as the whistle is blown for each batch, the fingers of children danced to find out the right answer in the pin drop silence. Most of the children were able to complete 200 sums well before time. The competition was conducted for 7 minutes and 10 minutes for 1st to 4th level and 5th level to 8th level respectively. The results of winner were announced from 3.00 pm and prizes were distributed to winners.

The whole competition was meticulously planned six months before the competition by well experienced personnel and the team was lead by Mr. Basheer Ahamed, CEO & Inventor of Indian Abacus. The perfect execution was lauded by all corners such as Kuwait Delegates, State Regional Franchises, Franchises, Abacus Tutors, Parents of participants.

The whole competition activity came to end at 8.00 pm after singing National Anthem.
