## 1. The Objective of the Competition:

1. to give chance for each student to compete at the National / International level.
2. to promote and advocate the learning of Abacus and Mental Arithmetic.
3. to elevate the standard of performance of learners of Abacus and Mental Arithmetic.
4. to certify one's capability in Abacus or Mental Arithmetic.
5. to cultivate the habit of attending objective type question paper in their future Academic and Competitive Exams.

## 2. New Pattern Question Paper:

Indian Abacus is having a Model and layout question paper in the competition for all levels. Every question will have three different answers below every sum and one among three is the correct answer. Students have to pick the correct answer from the given three answers and **Tick Mark** it with **Pencil / Red / Blue pen**. Students need not write the answers on the question paper. This practice is introduced to encourage students to attempt for more number of sums within a given time (Sample question paper for each level is given in separate pages).
